Dear resident

East Road Area, Lancaster – Proposed 20mph Speed Limit

I enclose for your information a plan showing Lancashire County Council's proposals for a 20mph Speed Limit and traffic calming on East Road, Quernmore Road and Wyresdale Road.

The plan details the extents of the proposed speed limit together with the location of traffic calming features and signs.

This scheme is part of the County Council's commitment to reducing the number of injury accidents occurring on roads in Lancashire by reducing vehicle speeds. The measures are being funded from the Lancashire Local Lancaster District committee's discretionary budget 2009/10.

If you wish to comment on the proposals I would be grateful if you could reply by Friday 15th January 2010.

Responses can be sent in writing to me at the address below, or, alternatively you can reply by e-mail to: highwayslancaster@lancashire.gov.uk

If you have any additional queries regarding the proposals and wish to contact us, by phone, please call Eddie Mills on 01524 772069, or, John Foster on 01524 772068.

Yours sincerely
