

LANCASTER ROYAL GRAMMAR SCHOOL GEOGRAPHY DEPARTMENT

Lower Sixth Geography Field Trip to Manchester: **Thursday 12th November 2009**

Dear Parent/Guardian,

A day of fieldwork has been organised for the Lower Sixth on Thursday 12th November in Manchester. We will be investigating the general theme of 'People in Cities'. This forms part of Unit 1 of the AS course on Population Change. Here students need to examine two contrasting parts of a city considering such aspects as housing, age structure, ethnicity, wealth, employment etc. There will also be the opportunity to consider urban fieldwork which is a key part of Unit 2 which will be examined in January.

We will be travelling in a coach, departing from school (Moorgate) at 09.00 a.m. and returning at approximately 16.00 pm. Boys should first register with their forms and then meet on Moorgate.

We shall be in Manchester all day and therefore it is important to come well equipped. Students should bring the following: suitable footwear for walking, casual clothing including a waterproof jacket; a packed lunch, clipboard, notebook and pencil. A plastic freezer bag to cover your notes is always a good idea.

To be most comfortable, it is wise to check the weather forecast before departure and prepare accordingly.

With increasing costs of transport we would appreciate a contribution of £9.00 per person. This money should be brought as a cheque or cash in an envelope with your son's name on and handed to Mrs Oversby in the office together with the attached consent form. If money is a problem please indicate on the attached form.

Thank you for your support for this activity which I am sure will be a great experience.

If you have any further queries about this trip please email or telephone me: email: atalks@lrgs.org.uk tel. 01524-580600.

Yours sincerely,

Andrew Talks (Head of Geography)

Consent form for the L6th Manchester Fieldtrip 2009

12th November 2009

Name of student: Form:

Medical conditions we need to know about: Give details of medication/injuries/allergies etc. If there are no medical details to give, please write NO MEDICAL CONCERNS.
