

# Welcome to the DofE at LRGs

## Boarders' Information

If you are a boarder and will not get the chance to pass-on the parental letter to your Parent or Guardian the documents should be accessible via the school website

Once your Parent/Guardian(s) has/have had a chance to read the documents please discuss your participation in Bronze DofE with them. If they approve, please ask them to email your boarding house master with a request to sign your application on their behalf.
