September 2020

Dear Parent,

Upper Sixth Form Parents' Evening – Monday 21st September 2020

We are using Microsoft teams for this Parents' Evening, and we very much hope that you will be able to attend appointments online with your son or daughter.

Students will be given appointment cards this week and will then make appointments with the relevant members of staff for you. Each appointment lasts five minutes and it is important that you leave at least five minutes between the end of one appointment and the beginning of the next to allow time to end one Teams video call and begin the next one. Teachers will be available between 5.30 pm and 8.00 pm. At a teacher's discretion, some appointments may be made at an alternative time or date.

Students will need to log onto Teams in good time before the appointments. Teachers will start each appointment as a meeting, which you will be able to click onto start the conversation as you sit with your son or daughter. Teams works on a wide variety of devices. – please make sure that your sound and microphone are working, and your camera if possible.

I hope that this evening will be an excellent opportunity to review the Lower Sixth year. It will also provide an important opportunity to discuss priorities for your son's or daughter's Upper Sixth year and future plans including university and other applications and the UCAS procedures.

We look forward to meeting parents virtually on 21st September. If you are unable to come and require further information or advice, please contact the Head of Sixth Form – Miss Sarah Haigh shaigh@lrqs.org.uk.

Yours faithfully,

Dr C J Pyle
Headmaster
