Dear Sixth Form Students and Parents,

CGP SIXTH FORM SKILLS OFFER

The publishers CGP have produced two new books to support A-level students:

- How to revise for A-Level
- How to get into University

The retail price for these is £6.95. For a limited time, they are offering them to students through schools for a reduced price of £3 each or £5 for both.

Tutors have surveyed their forms and there seems to be a fair level of interest from the Sixth Form, hence this letter to advise you of this opportunity to buy them at the reduced price.

Should you wish to purchase one or both of the books, please complete the details on Wisepay before Monday 5th October.

Do not hesitate to get in contact if you have any queries.

Yours faithfully,

Miss S J Haigh
Head of Sixth Form
