## Notes

1 'Casuals' are permitted during the evenings and weekends, but we do request that only 'reasonable' styles and colours be worn. Likewise, storage space is limited and boys should not exceed the quantities indicated. Also please bear in mind that the School does not accept responsibility for any losses or for possible shrinkage or other deterioration in the laundry. Thus it is inadvisable to bring very expensive or delicate items to school and such items should certainly not be sent for washing in the School Laundry.

2 If despatched separately, boys' luggage must be sent so as to arrive at the School on or before the day they arrive.

3 Most of this uniform list is available from the school uniform supplier (Uniform and Leisurewear, Tel: 01524 388355). School ties can be obtained from the school's 'Buy and Sell Shop' which is open every Friday afternoon ( $3: 45 \mathrm{pm}-4: 30 \mathrm{pm}$ ) during term-time an 10:00-12.00 noon on Saturdays (term time)

4 Whilst every reasonable care is taken to ensure security of personal clothing and belongings, the school does not accept responsibility in the event of losses. Every article should be marked with the initials and surname of the boy, and be in a good state of repair. It is requested that shoes and boots be marked plainly, either inside, or under the soles with brass tacks or a hot wire. All boys should bring a supply of Cash's or other sew-in tapes with them.

5 Likewise, within the School Laundry, every care is taken of clothing submitted, but items without care labels and un-named items cannot be accepted. Moreover, in view of the wide variation in garment quality, the school cannot accept responsibility for any discoloration or shrinkage which may occur during washing.
