5th March 2021

Dear Parents and pupils,

Information for pupils who travel on Norther Rail to Carnforth, Silverdale and Arnside.

Northern Rail have confirmed their morning rail service is running as normal from 8th March but disruption to their afternoon service means that departure times from Lancaster at 3.05 pm and 4.55 pm do not coincide with the end of our school day at 3.20 pm.

As such, they will provide a complimentary bus service from LRGS to Carnforth, Silverdale and Arnside each afternoon for anyone travelling northbound as far as Arnside.

The Travellers Choice coach will be parked near Ashton House on Quernmore Road and will depart at approx. 3.25 pm. You should still purchase your regular termly or weekly return rail ticket as normal and this must be shown to the driver when you board the coach. This arrangement is in place until 26th March and will be reviewed again at Easter.

Yours faithfully,

Mrs Sue Knight
