Dear Year 11

Below is the timetable for your upcoming second series of assessments.

There will only be two assessments per day so they will begin at **9am** and **1pm**.

GCSE Spanish, French and German listening exams will start at 2pm so that the rooms can be vacated by the year group usually in that zone and cleaned.

GCSE Further Maths (top set only) have an extra session on Thursday 13th which will run at 11am.

Please get in touch if there are any clashes - I know of the one Latin/Tech clash. The only one I am expecting is for someone to say they do Drama and PE???

Many thanks for your efficiency getting into the exam hall, promptness arriving for each session and consideration of others throughout the first series of assessments - it was much appreciated by me and all the invigilators. Same again in a few weeks please.

Best wishes
Miss Pettit
