Dear all,

Below is the timetable for your upcoming second series of assessments.

There will only be two assessments per day so they will begin at **9am** and **1pm**.

Please get in touch if there are any clashes - again, there shouldn't be but let me know asap if I have made a mistake!

Many thanks for your efficiency getting into the exam hall, promptness arriving for each session and consideration of others throughout the first series of assessments - it was much appreciated by me and all the invigilators. Same again in a few weeks please.

Best wishes

Miss Pettit
