7th May 2021

Dear Y7 Parents and carers,

Founders' Day: Saturday 3rd July 2021

Our traditional Founders' Day service will be held at Lancaster Priory on Saturday 3rd July at 10.30 am. This long-established school occasion is a required Saturday attendance for all boys in Year 7.

Boys should go directly to the Priory where they will be registered from 10.00 am and seated with their form. They do not need to come to school beforehand. Normal school uniform should be worn: ties, blazers and, preferably, a white shirt. It is traditional for boys to wear a red-rose buttonhole, if possible.

There will be a retiring collection after the service, which will end at approximately 11.30 am. Boys can be collected from outside the Priory Church after that time.

We normally love to invite parents to Founders' Day. Due to the pandemic arrangements have been scaled down considerably this year. If social distancing restrictions are eased in June then it may be possible to invite families and friends to attend the service. If so, we will use an on-line ticket service called Trybooking to reserve seats and more information will follow.

Yours faithfully,

Dr C J Pyle
Headmaster
