Scores: LRGS 119 for 4 D Patel 37: K Sajjanshetty 30: E Collinson 18 not out  
Birkenhead 19 all out.

On a damp, cool morning it was decided to play a 20 over game on a very green wicket so we could get the game in. It proved to be a very good decision. We lost the toss and batted first on a wicket the played much better than it looked. Joe Pearson didn't get on top of a short ball that bounced and he was caught at cover early on but Dhilon and Kris both played beautifully putting 70 on for the second wicket. Ernie made very useful at the end to finish on 119 for4 in our 20 overs.

The bowling was excellent. Aditchya bowled the opening bat first ball- full and straight did the trick. Birkenhead's best player came in at number 3 and he was brilliantly caught by Joe at mid on. This turned the game our way. Another good catch from Jack and regular wickets made things difficult for Birkenhead. It was great to see Rohan bowling two batsmen in succession.

Man of the math: KSajjanshetty. Moment of the match: Joe Pearson's catch.
