September 2021

Dear Parents,

CCF SERVICE 2021-22

LRGS CCF will start parading on Tuesday 7th September at 15.30. The RN and RAF sections will parade on the lower courts, the Army on the upper courts. New recruits are expected to parade at this time except for those in the RN section who will parade from Tuesday 14th. Our intention is to issue uniform to new recruits on the first parade. CCF is optional and only those who feel confident to parade given the current pandemic should do so. All applicants who were not required to undergo selection have been allocated places. All applicants who were required to undergo selection and have been allocated places have been informed. If you are uncertain about the outcome of selection you should contact the section O.C. as given below. Please ensure the following payments have been made before parading, otherwise we will not be able to issue uniform. New recruits need to pay £35 annual subscription as well as £40 uniform deposit. Existing cadets need to pay the annual subscription only. All payments are via Wisepay under General Payments or Parentpay if at LGGS. If any parent is unable to afford the payment then please contact me.

If your son/daughter has decided to leave the CCF then please reply to me and they should return their clean uniform to the RSM by arrangement with him on croutledge@lrqs.org.uk. Returned uniform should not be left around school, even outside the armoury as it frequently gets lost and no deposit will be returned without the full, clean, uniform being received by the RSM and a receipt issued.

The CCF is staffed by volunteers, mainly on Tuesdays when the above extension may be manned. The above mobile is only used on CCF trips. In terms of points of contact for the CCF at other times please use the contacts below.

NAME	APPOINTMENT	E-MAIL ADDRESS	CONTACT FOR
Lt. Col Rowe	Contingent Commander	drowe@lrqs.org.uk	Contingent matters, subs,
RSM Routledge	School Staff Instructor	croutledge@lrqs.org.uk	Uniform, Courses
