

LRGS U13B 60 v 10 King's Macclesfield U13B

LRGS got their season off to a great start with a dominant performance against Macclesfield. In the first half especially, the team maintained possession of the ball, often through the hard work of the forward pack: Savage, Taylor, Beveredge, Mbaye and Sutton won the collisions and rucks, to give the free flowing backs plenty of ball. Letchley and Bloe were able to run the game from halfback and they provided lots of quick ball for George Elliot, Arlo Jones and Zach Beveredge to all score excellent hat tricks. Letchley, Gallagher and Taylor also crossed for well deserved tries.

Contenders for Try of the game came from Jones, Elliot and Letchley ... it was impossible to pick a winner ... although Harry Letchley throwing three different dummies before scampering over was outrageously good!

Many thanks to lots of parents for attending.
