

LRGS U13B 45 v 10 Morecambe High U13A

LRGS U13B travelled to Morecambe to take on their A team. This was to be a physical challenge as they were taking on an A team that had some big players. However, the team showed that they were willing to tackle and ruck and compete for the ball throughout. With good quick ball secured by the forward pack, LRGS could then move the ball quickly wide to their much speedier backs. The result was a comprehensive victory and nine beautifully created tries.

Special mention must go to Taylor and Savage who took and made several big hits and also Zac Sutton who was as brave as a lion and scored his second hat trick of the week. Also scoring three great tries was Samson Gallagher, who smote the Morecambites, and they could not tackle him as he went on several rampaging runs down the wing. Once again, Letchley, Bloe and Holliday were excellent in running the game and they always had the willing hands of Stanley Puckle to pass to in the Centre... Stanley was well rewarded for his skill as he also scored two superb tries.

Ben Fitzpatrick scored the final try and the whole team should be very proud of the way that they represented the School.

Many thanks to all those parents who came to support.
