16.09.21

Dear Parent,

SELF-RELIANCE EXPEDITION 17-18 OCTOBER 2021

All LRGS years 10 and 11 CCF army section cadets are invited to attend the field day on 17th and 18th October 2021 at Holcombe Moor. This will start at 08.00 on Sunday 17th October and finish at 16.00 on Monday 18th October. The self-reliance exercise is walking and camping out. Your son will need to wear civilian clothing and walking boots although his issued boots will suffice. Trainers, even fell running shoes are inadequate. The kit list is attached.

He will need to provide rations for himself for the duration of this self-reliance exercise. In particular he will need to cook a substantial meal on the Sunday night.

In order for this self-reliance expedition to count towards the Duke of Edinburgh's bronze award he must already be a member of the LRGS CCF Army DofE scheme and have previously attended the majority of CCF training. Further details of the 20 conditions used to assess the expedition are available on the DofE website.

The price of the expedition is £20 payable through the school's Wisepay system under **General Payments**. This is a CCF expedition not a civilian one so please don't sign up for one of Dr. Shawcrosses civilian DofE expeditions by accident. The word 'General' is the clue, remember the military rank of a senior officer. Places are limited and can be secured by paying as described. Once the places have been allocated no more will be available.

Your informed consent will also be required and an on-line form will be e-mailed to you.

If you have any problems with this or other concerns, please don't hesitate to contact me on the above number.

Yours sincerely,

John Atkinson (Captain)
O.C. Army Section
