

## **Stonyhurst College vs Lancaster RGS U16s**

**Saturday 2nd October 2021**

### **LRGS lost 7-5**

The weather conditions were very poor and it was a wintry outlook at Stonyhurst. The game started off slowly as LRGS were pushed into touch off our own lineouts, dropped balls and missed crucial tackles. Stonyhurst capitalised on this in the 18th minute and scored a superb solo try.

A much needed half time team talk was needed and thankfully the LRGS performance improved. Midway through the second half Luke made a big hit on their flanker causing the tension to rise. LRGS dominated the second half as Stonyhurst hardly had the ball and LRGS scored a phenomenal try to make it 7-5. Lewis was the scorer. Sadly there were no points added and LRGS lost a game that really they should have won comfortably.

Noticeable mentions should go to Ashton who played very well with consistent turnovers and vital big hits, Joe for running good lines and bossing the lineouts, Lewis for carrying the ball well throughout and Joel for his immense carries. Felix also did well on his debut for the A team. Man of the match was Lewis. On Saturday the boys take on Barnard Castle at home at 2.30pm.
