Dear Parent/Guardian,

Year 11 GCSE Revision Textbook

The AQA GCSE Physical Education simplified is a useful tool to help summarise topics throughout the course for students. The book presents the information in mind map form to neatly summarise the key areas of the topic.

The revision textbook costs £6.50, which is payable through Wisepay.

We hope these will provide an alternative, yet useful, form of revision throughout the year.

Yours faithfully

Richard Chadwick
Head of Physical Education
