

LRGS U13B 75 v 5 Newcastle U13B

LRGS U13B 90 v 10 Cheadle Hulme U13B

LRGS U13B 70 v 5 Merchant Taylors U13B

LRGS U13B completed their eighth, ninth and tenth victories of the season with excellent attacking displays against teams from the North East, Cheshire and Merseyside. In each game the balance between forwards and backs has improved, with the team now having more attacking weapons at their disposal, especially since the promotion of Parmer, Ennis and Olutade from the C team, and the return of Samson from injury.

The team now have a well-earned rest over Christmas, before some tough fixtures in January. Well done to all.
