

LRGS U13B 75 v 5 Wakefield GS U13B

LRGS recorded their most impressive result of the season on Saturday, as they travelled to their Yorkshire rivals and came away with a most comprehensive victory.

The whole team were eager to get back into action following the Xmas break and it certainly showed as they made fast start, catching the home team by surprise by returning the kick off with intent and dominating several rucks. After several phases Matthew Ramesh cut back inside for a great score.

This set the tone and the home side had no answer to the strong running of the LRGS forwards, who continually got beyond the gain line and took out multiple defender, before unleashing the backs to score out wide.

Special mention must go to Matthew Ramesh who scored five superb tries. Also scoring hat tricks were Samson Gallagher and Agash Parmar. Damiola Olutade weighed in with two tries, as did Mack Zhang.

Well done to the whole team for a superb display.
