

LRGS U13B 30 v 20 St Ambrose U13B

LRGS came up against their strongest B team opposition of the season so far on Saturday and despite missing one or two regular players, they emerged victorious, in a very physical encounter. All the boys tackled and rucked as if their very lives depended on it and when they had the opportunity to counter attack, they did so swiftly and with efficiency.

Special mention goes to Stanley Puckle, Samson Gallagher and Agash Parmar, who were awesome in both defence and attack: putting in some huge tackles and scoring excellent tries to keep the team ahead on the scoreboard at critical moments. Indeed, the whole team deserve praise for their skill and bravery.
