

LRGS U13B 35 v 10 Wirral GS U13B

LRGS concluded their season with a hard fought and deserved win over Wirral, who also came into this game unbeaten on the U13B circuit. The victory was achieved despite the loss of several key forwards to injury and despite the wet and muddy playing conditions, which did not suit LRGS's fleet footed backs.

The whole team put bodies on the line and tackled like demons to make sure that Wirral's big forwards did not dominate. When they had the ball they moved it quickly (despite the conditions) and scored several excellent tries.

Once again Akash was devastating with the ball in hand and he scored two tries. Also adding to the total were John, Matthew, Sam and Samson. Sam E came off the bench to score a brilliant individual effort, just after half time, when the visitors were starting to build some momentum.

It has been an excellent season and the team remained unbeaten against all other U13B teams, to rightfully claim the title of best in the North.

Thank you to Sam B for captaining superbly and Callum S as pack leader. Also, thank you to all those who have played and contributed throughout the season and all those parents who have supported the team, whatever the weather.
