

LRGS U13B 65 v 5 Macclesfield GS U13B

LRGS began their season with a thumping win over Macclesfield, a team that had beaten them last year at U12 level. The win was built on forward power, with the pack scoring 10 of the 13 tries, but it was Outside Centre Hamza L who got the scoreboard moving, with two excellent tries in the first 5 minutes, as he evaded tackles and broke through the defence to touch down. The whole team tackled and rucked effectively to pin Macclesfield in their own half for much of the game and with Hetherington and Zach Y pulling the strings at half back, the team scored regular tries and dominated possession throughout. Joe B was man of the match with 6 excellent tries and Gray K was not far behind with a hat trick. Hetherington darted over for a well-deserved try in the second half and Omosanya proved too strong to stop, as he also barged over. Many thanks to Mr Loney for refereeing and the many parents for turning out in support.
