

LRGS U13B 70 v 25 Kirkby Kendal U13B

LRGS enjoyed an excellent match against spirited and competitive opposition on Tuesday afternoon. LRGS started really well and as the forwards drove the ball powerfully, they went into an early 30 point lead. However, Kirkby hit back with four tries and the game was well balanced at 8 tries to 4. At this point the better organisation and forward power began to have a bigger impact and the backs were given more room to spread the ball wide and several well worked tries. There were many excellent performances including three tries for Omosamya, two for Geddes and stand out team play by Reynolds and Latif but man of the match, for his superb tackling and support play, was Femi Taiwo.
