

LRGS U13B 80 v 0 St Mary's Hall (Stoneyhurst) U13B

Despite missing three forwards to injury LRGS were just too strong for the opposition, as Zach Y and Henry H ran the game from half back to release forwards and backs on scything runs through the opposition defence. Once again the Captain, Arlo C, led the way and he was rewarded with four well-earned tries. Gray K was again almost unstoppable from number 8 and he ran in three tries. Owen R and Ethan C also scored two tries each and Robert Love gets a mention for his work rate and excellent try in the second half. It was great to welcome back Oscar B into the centres and Hamza L once again gave the A team selectors something to think about with a Rolls Royce like performance at Outside Centre. Well done to the whole squad.

Many thanks to all those parents who braved the inclement weather to offer excellent support.
