

Friday 7th October 2022

Dear Parents,

"In the beginner's mind there are many possibilities." Michaelmas is the most important term. This is where everything starts – and this is when the work gets done! Five weeks in, we are at a good moment to celebrate successes so far and to consider positive changes. **Year 10** and **Lower Sixth** students should be settling into productive study routines with the challenge of new courses, and **Year 11** pupils are looking ahead to Prelims. It is great to see the academic temperature rising in the **Upper Sixth** as the first university applications go in!

Congratulations to **Lancaster Royal Grammar School Choir** who have been selected as one of six finalists for Lancashire Choir of the Year. Well done to 100 students who sat the **UK Senior Maths Challenge** this week. Many congratulations to pentathlete **Kirsty Maher (U6)** on her victory in the U19 World Laser Run Championships in Lisbon. Best wishes to sixty of our cadets out on **CCF field day** today!

Sixth Form Open Evening - Tuesday

www.lrgs.org.uk/sf-openevening2023

We look forward to welcoming Year 11 pupils and parents to Open Evening on Tuesday from 5:30pm. It is an exciting chance to see what makes the Sixth Form different, and to speak to students and staff about all the subjects on offer.

We aim to be the academic and all-round school of choice – so please encourage Year 11s from other schools to come and meet us too! Our pupils can go straight to subject areas which they might consider at A-level, and external visitors should start at the Grab and Go for tours.

If you shop with Amazon, then you can raise money for school and it won't cost you a penny. If you shop using [Amazon Smile](#), Amazon will donate 0.5% of the net purchase price (excluding VAT, returns & shipping fees) of eligible purchases to school. Log into Amazon Smile using your existing Amazon log in, select **Lancaster Royal Grammar School** as your chosen charity and then shop as normal. Thank you for your support!

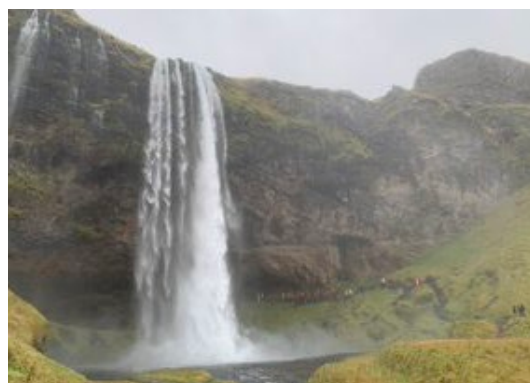

Parking and drop-offs near school and Derwent Road

Some of the residential streets close to school, including Derwent Road, are narrow and get extremely busy at times. Please help us to be a good neighbour to local residents by parking respectfully, not leaving car engines running, and avoiding double yellow lines. Please consider dropping off and picking up your son or daughter slightly further from the main school site and the Memo Fields if you are coming in by car.

With all best wishes ~ Dr C.J. Pyle
