

LRGS U13B 50 v 0 Barnard Castle U13B

LRGS were just too strong for Barnard Castle and it became a very one-sided encounter, resulting in LRGS withdrawing some of their bigger forwards and playing the second half with one or two less players. This did allow some players who have had to start games from the bench get more match time, which will strengthen the team for tougher games to come.

Special mention goes to Robert Love for his two tries and Ronnie O'Shea for making some big tackles and scoring a great try: showing that his all round game has improved greatly. Thompson, Glen, Geddes and Weed also performed at a high level throughout.
