

# The Friends of LRGs

October 2022

Dear Parents, Guardians, LRGs staff and OLS,

## LRGS Burns Night Ball, Saturday 21st January 2023

The Friends of LRGs are delighted to invite you to our Burns Night Ball, a Scottish themed, glam, glittering and grand gathering, and the highlight of our fundraising events. This year, to get the party started, we are planning a very special night! We hope you will be able to join us, bringing along your guests too. We'd really like to welcome the newer LRGs families, as well as those who have joined us during the lockdown years.

LRGS Burns Night is on Saturday, 21st January 2023, in the Ashton Hall at Lancaster Town Hall. The evening includes a reception, a Scottish piper, the Burns "Address to a Haggis," and a three course dinner. There will be a school charity raffle, optional whisky tasting, and dancing to a live ceilidh band – strictly no past dance experience is necessary!

Tickets cost £50 per head and will be on sale on Wisepay from Monday 7th November. Those who do not have access to Wisepay, can order tickets from the email below. We are able to offer tables of ten guests, as well as smaller ticket numbers, with a choice of menu options. All proceeds go directly to the Friends of LRGs, in support of our school. We would welcome any donations of raffle prizes, to be left at City View.

We really hope to see you, and please support LRGs if you can!

Kind regards

*Radmila Balastikova*
