## Permission to drive to and from LRGS

I wish to drive myself to and from school and agree to abide by the school rules summarised below.

The car I will use is:

Registration:

I understand that the car is not to be used at all between my arrival for morning registration and my departure after my last commitment of the day.

I understand that there is nowhere on the school premises for me to park, and that I will be considerate to local residents at all times when parking.

I will not use the drive up to Christ Church Primary School by the memo field at any time.

I understand that the school can accept no responsibility or liability for the vehicle or any passengers, and it is totally my responsibility to ensure that the vehicle insurance is valid and covers all possible contingencies.

I will drive with due care and attention at all times.
