November 2022

Dear Parents,

Year 11 Parents' Evening – Wednesday 7th December 2022 – 5.30pm

We are using Microsoft teams again for this Parents' Evening, and we very much hope that you will be able to attend appointments online with your son.

The evening will commence at 5.30pm with a short talk from Sarah Haigh, Deputy Head (Curriculum), and Sarah Boak, Head of Middle School, about some general pointers on how best you can support your son in the run up to their GCSEs and on picking their A-level subjects. The link to this Teams meeting is set out below:

Students will have been given an appointment card to make appointments with relevant members of staff for you. Each appointment lasts five minutes and it is important that you leave at least five minutes between the end of one appointment and the beginning of the next to allow time to end one Teams call and to begin the next one. Teachers will be available between 5.40pm and 8.00pm. At a teacher's discretion, some appointments may be made at an alternative time or date.

Students will need to log onto Teams in good time before the talk from Miss Haigh and Mrs Boak. After the talk, the relevant member of staff will start your first appointment. Please make sure that your sound and microphone are working and your camera, if possible

I hope that this evening will be an excellent opportunity to review the year for Year 11 students.

We look forward to meeting parents virtually on 7th December.

Yours faithfully,

Dr C J Pyle
Headmaster
