

LRGS u13B took on an unbeaten Cheadle Hulme side and put on a great display in front of a cluster of travelling parents. LRGS came out 80-10 winners. The game started with Latif and Aston-Gardner running in 2 each. LRGS did concede after a clever kick from the Cheadle 10 but then dominated the game again with Blackburn (2), Cummins and Wilson crossing the line to score.

The second half was much of the same, Olasanya received from Hetherington, danced his way thorough and offloaded to Love who scored in the corner. O'Shea skilfully ran in 2 from the wing before Wilson, Cummins, and Aston-Gardner completed their Hat-tricks. The final whistle sounded just after Olasanya had topped a strong performance with a try.

Great contributions all over the field with Hetherington and Yates pulling the strings from 9 and 10. A magnificent parent following which the boys were very grateful for.
