Mr B J Calvert Exams Officer

9th December 2018

Dear Parent/Guardian,

Individual student exam timetables for GCSE, A-level and Pre-U exams are now live on the iSams pupil portal. Additional details such as exam room will be added in the run up to exams next year. There may be some clashes, where more than one exam is timetabled in the same session. These exams will usually be taken one after the other. Exact details will be confirmed with the candidates before they go on exam leave.

The exam boards have timetabled a contingency exam session on the **Wednesday 26th June 2019**. Should there be any problems or disruption to a specific exam it may be moved to this day instead. **All candidates must ensure they are available on this day in the summer in case any exams are rescheduled.**

Yours faithfully,

Barny Calvert
Exams Officer
