

Friday 13th January 2023

Dear Parents and Carers,

Happy New Year! The Lent term is always very full and busy. Just as much happens as in the Michaelmas term, but in much less time!

This is also an important term as we fundraise for Lenten Charities.

Well done to the **Upper Sixth** as they reflect on their Mock exams; next on the horizon will be **GCSE Mocks** after February half term.

Plan the work and work the plan is the advice for these weeks.

I hope that 2023 will be an immensely positive and productive year in which your sons and daughters flourish.

Sixth Form taster day – Thursday 19th January

Next Thursday is **A-level taster day** for our Year 11 pupils and external applicants. It should be useful for decisions about A-level options – and an exciting day. The great majority of our pupils progress to the Sixth Form, and about 75 students join from other schools as day students and boarders. Thursday is a **home study day for the Lower Sixth**.

CCF – Call for volunteers

Lancaster Royal Grammar School has a thriving combined cadet force which is run by volunteers. We require adults to assist with the RAF and Navy sections. No prior military experience is required, just a willingness to help the young people. If you'd like to know more please email David Rowe on drowe@lrgs.org.uk or 07789722086.

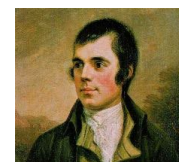

School Rebuilding Programme

As announced on the final day of last term, we are **delighted** to have been successful in our application to the School Rebuilding Programme. This programme undertakes large-scale refurbishment and rebuilding, and will bring major investment to our varied and distinctive site. We will keep you updated as we receive details of its scope and timings.
