24.02.2023

Dear Parent/Guardian,

LRGS CCF SWIM TEST 2 21ST MAR 2023

We have been fortunate to secure Ripley School Swimming Pool for a second occasion. This is for those CCF cadets who were unable to attend the test on 21st Feb. Both Easter Camp and Army camp this year will have waterborne activities. In order to facilitate safe training it is required to pass a swim test. The RN section have already taken this test. Some cadets in the Army and RAF will already have passed the test. As such all Army section cadets who have not passed the swim test and those RAF section cadets who have not passed the swim test and are going to Easter camp will need to attend the swim test. It will be conducted in CCF time from 15:30 on Tuesday 21st March. Cadets should parade on the lower courts. Cadets should not come to school in CCF uniform on that day instead they should be in school uniform bringing a swimming costume and towel. After a brief parade on the lower courts we will walk to Ripley St.Thomas School where the swim test will be conducted. Once the swim test is over cadets will be released to go home from Ripley School. Please note that this will mean that some cadets will be finishing early. CCF parade for those cadets not involved in the swim test will continue as normal.

If your son/daughter will be attending Swim Test 2 then please e-mail me immediately or before 15th March so that I can send you a medical consent form.

Yours sincerely,

David Rowe (Lt.Col)
Contingent Commander
