

Theatre Studies Summer bridging work

Hello! I am looking forward to teaching you next year.

Please can you do the following things over the summer holidays;

The most important task to do is:

1. **Purchase** and **read** the play **Machinal by Sophie Treadwell**. Please see link below for buying options. Order this ASAP as it may take a while to arrive.

https://www.amazon.co.uk/Machinal-Modern-Plays-National-Theatre/dp/1854592114/ref=sr_1_1?crid=3ANT1OJAP0EA0&dchild=1&keywords=machinal+sophie+treadwell&qid=1591651804&sprex=machinal%2Caps%2C168&sr=8-1

2. Please **watch** this online version of the play on YouTube . It is a version from an American university that we will also look at in class.

3. At the start of term, we will be looking at different theatre practitioners. One of these will be the company, '**Paper Birds**'

Please can you do some **research** into the company. I would like you to find out about their;

- style
- company ethos
- Past productions

You can watch YouTube clips of their work and trailers for shows they have created. You might even start following them on Instagram.

This website will be helpful:

www.paperbirds.com

I would like you to produce a short PowerPoint on your findings-you can embed clips into this, include photos and pieces of text.
