LRGS - Text books and Resources Required for A-Level Courses 2023

Pressures on school funding unfortunately mean that the school will not be able to cover all the costs of textbooks for Lower Sixth students. Students may need to purchase a copy of the texts that are required for their Sixth Form subjects. Please see details below. Pupils who are eligible for the <u>Sixth Form bursary</u> will be able to use this money to pay for these books. Please retain receipts for any books purchased.
