OPPORTUNITIES

Visa and the Windsor Fellowship have created the Visa Scholarship Programme. The programme is designed to support students from under-represented and socially disadvantaged backgrounds to achieve their full potential. This opportunity is open to eligible students who are applying or intending to enrol as a full-time undergraduate in any accredited university in the UK. You'll receive a scholarship of up to £9250 per year to pay your tuition fees and an ongoing programme of support throughout your academic study. [Read more here.](#)

Are you interested in finding out more about "Green Careers"? Maybe you're wondering what they really are, why they're important and what your options might look like... Check out this [interactive PDF booklet](#) to learn more!

Deloitte have created a 2023 Gen Z and Millennial Survey which looks back to see how the last three years have impacted these generations and finds that while they acknowledge some positive change, they remain deeply concerned about their futures. The survey of more than 22,000 Gen Zs and millennials across 44 countries examines their shifting relationship with work, how they continue to make lifestyle and career decisions based on their values, and underscores continuing concerns about finances, climate change, and mental health. The report, Where Next: [What influences the choices of would-be apprentices?](#), published jointly by UCAS and the Sutton Trust, reveals that 3 in 5 young people do not pursue an apprenticeship because they can't find one.

JOB OF THE WEEK

MPs represent people's concerns and interests in the House of Commons.

The annual salary is £82,000 to £150,500 and you can expect to work 44 to 46 hours a week.

There will be 4.8% more MP jobs in 2027.
