Dear Parent/Guardian

A visit has been arranged to the **GCSE Science live lectures** at the Opera House in Manchester on Thursday 25th January 2024. We will travel there and back by coach. The quality of the speakers is fantastic and the lectures will be inspiring and challenging. There will be a number of lectures including ones by Professor Robert Winston (biology), Dr. Kate Lancaster (physics), Dr. Hannah Critchlow (neuroscience), Dr. Anna Ploszajski (chemistry) and Dr. Tim Gabriel (chemistry). There will also be a chance to ask questions and to pick up some tips on how to do well in GCSE Science. For further details please see: https://sciencelive.org.uk/gcse/event_categories/manchester-2/

The cost of the trip is £33. There are only spaces for 50 pupils. **Places will be allocated on a first come basis.** If your son wants to attend the lecture day, please make payment on the school website using Wisepay.

If you think you might qualify for financial assistance in funding this trip please look at the school website for details (<https://www.lrgs.org.uk/financial-assistance>).

Please ensure that your son brings a packed lunch and drink. He will not be allowed to leave the venue during the day and there will be no opportunity to buy refreshments.

Dress: School uniform

Report Time: 08.30 where the coaches depart on Moorgate.

Return Time: the event finishes at 15.00. We hope to return to Moorgate by 17.00/17.30

Emergency Contact Numbers: In the event of a real emergency only (please) a message can be passed to your son via the General Office at School: telephone 01524 580600

A list of the pupils' emergency contact numbers and relevant medical conditions will be produced by the School Registrar and taken on the visit by me.

Yours faithfully,

Mrs. K Newton
Biology teacher
