

Good Morning everyone, and thank you very much Sir Peter for your inspiring Speech.

Today is a day dedicated to recognising and applauding the achievements of the people who have demonstrated hard work, dedication, and unwavering determination; and its also a day where members of our community gather and celebrate in a long lasting tradition of our school.

Speech day isn't just about the glory or the prizes you win, but its about recognising and honouring the hard work and commitment that led to your achievement. Its about celebrating the spirit of human potential and the remarkable feats that can be accomplished when dedication meets talent.

In a world often filled with challenges and uncertainties, recognising and celebrating our winners also serves as a reminder of the positive change and progress that can be achieved through hard work and dedication. It's a testament to the power of resilience and determination; Today's accomplishments provide us with a sense of optimism and hope in the fast-changing world of today.

So as we celebrate our winners today, we are not only honouring their achievements but also celebrating the values and qualities that underpin them.

I'd like to thank Sir Peter again for his inspiring speech- his life's work goes to show the value that hard work, determination, and dedication can bring- and on behalf of LRGS I'd like to give him this gift as a thank you for sharing his story today.

Finally, in line with tradition, I'd like to ask Dr Pyle if the students of the school may have a half day off school this year in return for our attendance today!

Thank you.
