November 2023

Dear parents and carers,

## **Study Skills – workshops for Year 11 and Year 13 pupils and parents - Thursday 7<sup>th</sup> December**

We are pleased to inform you that we are welcoming Martin Griffin to school next Thursday to work with our Year 11 and Year 13 cohorts on effective study skills. Martin has co-written the popular books *The GCSE Mindset* and *The A Level Mindset* which promote student commitment, motivation and productivity through engaging activities. He comes highly recommended and we are confident that the pupils will find the workshops informative, useful and fun. They will be a valuable part of our focus on supporting pupils to know how to revise effectively and prepare well for their forthcoming exams.

Martin will also be providing a session for parents of pupils in these year groups during which he will outline the advice and tips he will have shared with your sons and daughters. He will also suggest ways in which you can support your children through the weeks and months ahead during what can be as challenging a time for parents as it is for pupils! We hope that many of you will be able to come along for this parental session, which will be in the school hall between 17:30 and 18:30. If you wish to attend, please sign up [here](#).

I look forward to seeing many of you there.

Yours faithfully,

Sarah Haigh  
Deputy Head (Curriculum)
