

Friday 3rd May 2019

Dear Parents,

Well done to students and thank you staff who led recent residential trips including the Year 9 **German** trip (*right*), **CCF** Adventurous training and Silver **Duke of Edinburgh** expedition. Congratulations to our **Senior Schools Challenge** team of Fred Calvert, Raphael Fox, Danny Lusardi and James Weir who were third in the national quiz final at Warwick. The first of many overs have been bowled in our very full **Cricket** fixture programme: best wishes for a superb season ahead!

Lower Sixth exams began today, Year 7 and 10 exams start on 13th May, and Year 8 and 9 exam week takes place straight after half term. Pupils' internal school exam results are the best guide to their future GCSE and A-level performance – so **revise thoroughly** now to lay the best possible foundations for future success. Very best wishes to Year 11 and Upper Sixth students as they make final preparations for their GCSEs and A-levels.

University library facilities

We are fortunate that our local universities are committed to school engagement and provide a whole range of opportunities to LRGs pupils. Some Sixth Formers use **Lancaster University** library for study – but please be aware that this is not currently allowed due to university examination season. Library facilities at the **University of Cumbria** are available for Year 11 and Sixth Form students during staffed opening hours (Monday to Friday), and students can access a wifi password from library staff. Please see opening times and more information at [this link](#).

Parent Info

We have added an area called Parent Info to the [Parents' page](#) of the school website. Parent Info is a free service that shares articles, resources and, expert advice to help parents keep up with what their children are doing on-line. This follows our successful Digital Families evening in November. Thought-provoking advice at that event included: *"Have conversations about what a good friend is instead of checking their friend lists."* Discuss!

September 2020 Admission

The **11+ application form** is now available to complete online. Please apply for day and boarding places via the [website](#) and recommend us to any friends and neighbours! Open Day is on **Saturday 22 June** from 9am – 1pm and we welcome prospective families of boys in Year 4 and 5 to join us to see the whole school in action.

Families interested in boarding are warmly invited to join us in Storey House for afternoon tea from 1pm onwards on 22nd June. This is an informal event and opportunity to meet some of the boarding team as well as current and prospective boarding families. If you would like to come along then please can you complete the Registration Form online or contact us directly. This event replaces the Boarding Open Morning previously advertised in May.

easyfundraising is the UK's biggest charity shopping fundraising site

It's simple to use and it's free. Since we launched in 2005, we've helped thousands of good causes raise money simply by shopping online. Our community of over 1.6 million loyal supporters has so far raised over £27 million.

Get started in less than one minute

Easyfundraising gives money to charity from online purchases made via its website. It is completely free. They do not send spam or store any card details or payment information.

Over 2700 retailers are part of the scheme, including **Amazon, ebay, supermarkets** such as Asda and Sainsbury's, **department stores** (e.g. John Lewis and Debenhams), and many others. It can also be used for larger purchases such as **insurance** and **travel**, from **trainline.com** to **British Airways**.

Whether you are doing a weekly grocery shop or booking a holiday please consider using this simple and painless fundraising tool for the Friends!

The Friends use their funds to enhance the school and provide extras for LRGS pupils: minibus, outdoor benches, kayak equipment, competition prizes, picnic tables, bag racks, singing day, Ashton House garden, 3D printer, drums, Twelfth Night costumes, drama lighting rig and much more besides!
