

## The Friends of Lancaster Royal Grammar School

June 2024

Dear all,

Our first GrammarFest is soon approaching, on Saturday 6<sup>th</sup> July, and I wanted to give you some further details about the event, to let you know what to expect.

The event will run from 12 noon to 4pm, and will be on the upper site, in the area around the Grab & Go, and the Upper Courts.

Please access school via the 'hole in the wall' gate, where you will be able to collect any pre-bought tokens. Tokens are available to buy on WisePay, and can be used as 'currency' on the day, as well as cash, throughout the event, except the food trucks. Additional tokens can be bought on the day (card payments can be processed here).

There will be a food truck, and bar, and lots of activities for all the family. On the upper courts, the PE department have organised some sporting challenges including cricket challenges, beat the goalie and more. For younger siblings, we have a games corner, and face painting. Our musicians will also provide entertainment.

There will be a raffle, and a tombola stall. We've got a plant stall, pre-loved book stall and cake stall. We've quiz sheets for the family to complete, whilst you sit having some food and a drink. We hope there will be something there for everyone.

We would like to ask, if possible, for donations of:

- Homemade or shop bought cakes for the cake stall
- Chocolate and sweets for the tombola
- Books for the book stall

Please send any donations to City View on Thursday 4<sup>th</sup> or Friday 5<sup>th</sup> July.

We hope you can come along and join us on 6<sup>th</sup> July. If you need any other details, please visit our new Facebook page, the Friends of LRGS, or email [friendssecretary@lrgs.org.uk](mailto:friendssecretary@lrgs.org.uk). If travelling by car, please be aware there is no on-site parking; please be respectful of our neighbours if parking on street – there are several public car parks within a 5-10 minute walk.

Many thanks,

*Amy*
