## OPPORTUNITIES

Bulla Co are currently on the hunt for Student Strategists to assist with our creative briefs for incoming campaigns! This is paid work that can be done remotely from anywhere. There is no lower age limit. It's a fantastic opportunity for successful applicants to share their ideas for campaigns and learn first-hand about the creative process from initial brief to strategy proposal. [You can read more and learn where to send your CV here.](#)

[New research](#) shows that although over half of school leavers (53%) are interested in pursuing a career in the TV and film industry, only 18% believe it is realistic for them. Are you considering a career in Film or TV? Young BAFTA have an [entire YouTube playlist](#) of educational interviews and behind-the-scenes info from the most popular shows on TV.

[Youth Employment UK](#) have launched [Good Youth Employment Standards](#). This is a membership that employers can sign up to in order to showcase that they meet the 10 Youth Employment Standards. What does this mean for you? Well, if you see on the job advertisement that the employer has made this commitment, you know that they are meeting the standards which have been written to ensure you have a fair and inclusive employment experience.

Are you in Year 11 or 13 and considering doing an apprenticeship at the end of the academic year? More employers are opening their applications earlier than ever so don't leave it too late to start your search! [Amazing Apprenticeships](#) have some great resources to get you started.

## JOB OF THE WEEK

This week's video focuses on the job role of a [Marine Biologist](#). Marine biologists study how the ocean currents, tides and many other oceanic factors affect ocean life forms, including their growth, distribution and well-being. Watch the video to learn more about how much you could earn, the qualifications you need & what subjects link to this career.
