

The Friends of LRGS

Dear families,

Welcome back to the new school year! We hope you have had a lovely summer break.

With the start of the new year, the Friends of LRGS are looking forward to the year ahead, and are starting to plan our events for this school year. We're starting with our first meeting of the year on Monday 15th September, at 7pm in the Grab and Go. Everyone is welcome to attend and we'd love to see you there.

There are lots of things going on this term, including the Supper Run on 17th September, and we will soon be releasing details of our Burns Night celebration in January 2026. Please keep an eye on our Facebook page Friends of LRGS for details.

Supper Run is always a great evening. The 3.5 mile run takes place around Far Moor and Williamson Park; fancy dress is optional but encouraged! Prizes are awarded for the fastest in each age group, as well as the best dressed. You can register to run, or just come along to support and have a chip butty at <https://www.trybooking.com/uk/events/landing/68859>

We are looking for volunteers to help in the School Shop. The shop is open from 3.30 - 4.30 on a Friday afternoon, and 10 – 11 on a Saturday morning. Cover is on a rota basis, but you can assist as frequently as suits you, and full training will be given. Please note all volunteers will need to complete a DBS check and safeguarding training.

If you would like any more details about the Friends, and upcoming events, please do drop me a message at friendssecretary@lrgs.org.uk or via our Facebook page.

Yours faithfully

Amy
