November 2025

Dear Parents/Carers,

Year 11 Parents' Evening – Wednesday 3rd December 2025

I would like to invite you to attend the Year 11 Parents' Evening, and I very much hope that you will be able to attend appointments in person with your son. This parents' evening is of particular importance at this point in your son's education; teachers will discuss with pupils and parents next steps regarding preparation for the GCSEs.

Consultation with teachers will be by appointment. Your son will need to make appointments with the relevant members of staff for you. The appointments are of five minutes duration and it is important to try to have at least five minutes between the end of one appointment and the beginning of the next to allow you sufficient time to move between rooms. All teachers will be available in rooms in the New Building, and details of teacher location will be shared in advance via email. The first appointments are at 5.30 pm.

Refreshments will be available in the school hall. Our independent careers adviser, Carol Hope, will also be available to answer any questions related to post-16 providers and careers.

Pupils should ensure they are wearing school uniform and should bring details of their appointment times in order to keep to the appointment schedule.

There will be a register, organised by forms, in the entrance to New Building. Please sign in when you arrive and out when you leave.

Unfortunately, we are not able to offer any on-site parking. Please take care to avoid inconveniencing or obstructing local residents or through-traffic. We advise parking at one of the car parks in town and walking up to the school site.

I hope that this evening will be an excellent opportunity to review Year 11 so far and to build on the successes and learning points from the recent prelim exams. It will also provide an important opportunity to discuss priorities for your son and his future plans.

We look forward to meeting you on the 3rd December. If you are unable to come and require further information or advice, please contact the Head of Middle School, Mr Fisher rfisher@lrgs.org.uk or the Head of Year 11, Mr Fenton jfenton@lrgs.org.uk.

Yours faithfully,

Dr C J Pyle
Headmaster
