February 2026

Dear Parents / carers,

Year 10 Parents' Evening – Thursday 12th March 2026 – 5.30 pm

We will be using Microsoft Teams for this Parents' Evening, and we very much hope that you will be able to attend online appointments with your son.

Mr Fisher and Mr Jacques will be holding a short Teams briefing at 5.15pm just before the parents' evening to communicate some key messages to parents that are relevant to the whole year group. Please use [this link](#) to access that briefing.

Teachers will be available from 5.30pm to 8pm for appointments and pupils will be given cards to make appointments with the relevant members of staff for you. Please monitor this process with your son and ensure that he has organised appointments for each of his teachers. Each appointment lasts five minutes and each teacher will set up a separate link for each subject appointment that can be accessed through your son's Team. It is advisable to leave 5 minutes between each appointment. At a teacher's discretion, some appointments may be made at an alternative time or date.

Pupils will need to log onto Teams in good time before the appointments. Teachers will start each appointment as a meeting. Please make sure that your sound, microphone and camera are working and that your location and display are appropriate for a video call.

We look forward to meeting you virtually on 12th March and hope that this evening will be an excellent opportunity to review the year so far for Year 10 pupils.

If you are unable to attend and require further information or advice, please contact the Head of Middle School – Mr Fisher rfisher@lrgs.org.uk or Head of Year 10 – Mr Jacques ojacques@lrgs.org.uk.

Yours faithfully,

Dr C J Pyle
Headmaster
