May 2019

Dear Parents,

Peace Day Celebration at the Great Gift

I am inviting you to celebrate 100 years from when peace was declared following the end of the First World War. We will celebrate this on Sunday June 30th 2019 as the official date is the following month when we are on block leave. Soon after 1918 The National Trust was gifted 14 Lake District summits as memorials to look after on behalf of the nation. These gifts were described at the time as, 'the world's greatest war memorial', and are collectively known as The Great Gift. There are a number of CCF events on that day and we aim to converge at the memorial on the top of Great Gable at 13.30 for a simple celebration. If you would like to join us you are most welcome.

I must stress that this is not a supervised event, if your son/daughter wishes to join us you will need to bring them and accompany them yourself. The route you choose is your choice but the closest car park is at the Honister pass slate mine. In order to join the celebration on the summit you would need to leave the carpark by 11.30 at the latest. Do not attempt such a walk unless you are physically able, properly equipped and the weather is suitable otherwise the event will be cancelled.

Looking forward to good weather and hoping to see you there,
Yours sincerely,

D.Rowe (Lt.Col)
C.O. LRGS CCF
