Mr R M Lemon

10th September 2019

Dear Parent/Guardian,

Your child has now begun their GCSE Design and Technology course, I am writing to you to offer the opportunity to purchase a Design & Technology coursebook/revision guide at a significantly reduced price. The guide is directly linked to the AQA specification, which we are following, and is published by Hodder.

The department will be placing a bulk order for these revision guides. We have negotiated a discounted price of £7.50. If you would like to purchase a guide, please return your slip and make payment by Friday 27th September.

We would appreciate it if you could use the WisePay system to make your payment. Please sign in to your account and navigate to the Design & Technology section. Here you will find the option to purchase a GCSE guide.

Yours faithfully,

Mr. R M Lemon

Head of Design & Technology
Lancaster Royal Grammar School

Name of son: Form:

I would like to purchase an AQA revision guide and have paid £7.50 via WisePay.
