

Friday 27th September 2019

Dear Parents,

Michaelmas is the longest and most important term – this is when the work gets done! This is the time to settle into excellent habits of organisation and homework. I hope that term has started very well.

Thank you to everyone who took part in last week’s Supper Run, and to staff, students and parents who organised, marshalled, played music and served! The event raised over £2000 for the Friends.

There is something for everyone in the next three events organised by the Friends of LRGS. It would be lovely to see you at:

279 Supper Runners!

Cover supervisors - vacancies

We are pleased to employ a number of excellent cover supervisors who cover lessons from time to time when teachers are absent. We are always interested in recruiting new people. While some are from a teaching background, others have a wide range of prior experience. If you would be interested in finding out more about this role, then please get in touch with Mrs Kim Taylor by email ktaylor@lrgs.org.uk or phone 01524 580600 Ext: 202.

Hello Yellow: 10th October

One of our aims at LRGS is to create a world-changing environment for mental health and well-being – one pupil at a time. On Thursday 10th October we encourage pupils to wear something yellow with their school uniform as part of a national awareness campaign. We want to encourage helpful conversations that will support our children to look after themselves and look out for one another. Please have a look at the excellent resources for both parents and children on the Young Minds website: <https://youngminds.org.uk/>

Best wishes to all, and happy exeat to our boarders! ~ Dr C.J. Pyle
