C1 - Blended mobility of school learners

Emphasys

Centre as part of the EU Money Week was organized between 24th

and 28th of March 2019 the C1 – Blended mobility of school learners in Nicosia, Cyprus.

The main aim of C1 was to pilot test the 10 modules and all material

by teachers and students. Students from United Kingdom, Finland, Italy and Cyprus participated in the training and gave their feedback/comments for the improvement of the training course.

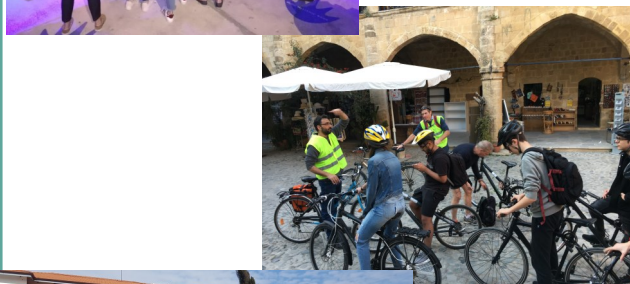

Also, the basic functionalities of the PFP Learning Platform (moodle.personalfinanceprogramme.eu) were presented and the students were taught how to create an account and the enrollment procedure.

C1 - Blended mobility of school learners

As part of the C1, cultural activities were organised for the students and teachers some of which were:

- Dinosaurs of the ocean and Nikola Tesla Exhibition
- Brain Game
- Trips to Larnaca, Omodos village and Limassol
