Mr H J Castle Head of History

11th December 2019

Dear Parents / Guardians,

The History department are offering a series of lunchtime revision sessions for Year 11 beginning in the New Year. The aim of these sessions is to revise content, but also to embed and revisit exam skills. The attached timetable shows the dates of the sessions and the topics that will be covered in them. The sessions will be run on a Monday by Mrs Love and on a Thursday by Mr Atkinson. Both sessions will take place in H4. If your son would like to attend it would be helpful if he read his notes on the topic before the session, so as to get the most out of it.

The boys are given photocopied revision notes for each of the 4 topics covered in the History GCSE. If you would like to purchase additional resources, Pearson publishers produce books for each of our topics. Please ensure you get the Edexcel revision guides as the content and assessment is different for other boards. These purchased guides may be helpful, but please be assured our own revision guides are comprehensive.

The content of the papers and the dates of the exams are listed below for your reference. The exam board is Edexcel.

Paper 1 – Warfare and British Society 1250 - date, including the Historic Environment of London during the Blitz – MONDAY 1ST JUNE (AM)

Paper 2 – Richard and John and the Middle East –THURSDAY 4TH JUNE (PM)

Paper 3 – Weimar and Nazi Germany – TUESDAY 9TH JUNE (AM).

Best wishes,

Mr H Castle Mr C Atkinson Mrs J Love
